You see this?

Biggest news of 2023? (\$250K Platinum Playbook)

Body:

Just in case you missed my email yesterday...

I told you about my friend's new **free report** where he spells out how his students were able to generate **over \$100 Million together** just recently.

And in case you're wondering...these are NOT your typical online millionaires.

In fact, these are just ordinary people who followed this "Simple 3 Step System" by tapping into something called "Project Platinum".

That includes people like...

- Mohammed, who turned to Project Platinum after 7 years of trying and failing to make money online...and now makes 7 figures while living in Dubai
- **Christian, the father of two young athletes who makes over \$250K a year – even with his busy schedule**
- Shaun, who turned to this system so he could escape the slog of running his service business in the UK...and now has the freedom to earn money anywhere
- **Chad, who has already made over \$250K a year with this system...while still serving in law enforcement**
- Jag, who "flipped the switch" after struggling online for so long...and made his first sales within the first 60 days
- **And so many more...**

Now that's pretty impressive...

But here's the CRAZY thing my friend did next:

After all his success...

He took the same system that has profited without fail since 2015...

The same system that has already helped 13,000+ people worldwide...

AND HE RIPPED IT APART!

Seriously, he went right back to the drawing board and painstakingly upgraded every piece of it...

...Because he knew there was a way to make that system even EASIER and MORE profitable than ever before.

The result?

The \$250K Platinum Playbook...which you can download right now at the link below.

Body:

Heads up...

My friend is already talking about taking the “\$250K Platinum Playbook” DOWN because the traffic alone is threatening to crash his website!

Especially since the information inside this report has ALREADY generated over \$100 MILLION for his students!

BTW...those numbers only come from about 10% of his students.

Which means the *real* total may actually be WAY higher than \$100M...and if anything this is the conservative number.

Still, this is the number that has solid proof so that’s the number he’s running with!

So in case you missed it, I recommend you grab the “\$250K Platinum Playbook” ASAP in case it goes down:

This will sound insane, but keep reading

I wouldn't believe this without proof

Let's bring this down to earth...

This is insane, but 100%

Body:

When I first heard that my friend was able to help over 153 people make over \$250,000/year online I was blown away...

And that they did it in less time than it takes to get a Bachelor's...

AND they did it without any prior knowledge, tech skills, websites, or products of their own?

I didn't believe it.

It just sounded too crazy to be true.

But then my friend told me the stories of some of those same students.

For example...

- **Doug**, the retiree from Texas who just recently cracked \$1,000 a day.
- **Chris and Janice**, the husband and wife team who are already making up to \$12,246.24 per WEEK!
- **Kenny**, who went from working for \$1/day in the Philippines as a VA...to now making up to \$40K a week.
- **Braxton**, who started off completely clueless...and just recently made \$25,943.81 in a week.
- **Mariath**, who went from working a regular 9-5 job to making 7 FIGURES with this system. (Now she's even using the money to buy investment properties!)

And in each of these stories, I noticed the same thing...

These were all ordinary people.

They didn't have any special skills or knowledge.

They didn't have a ton of money to get started.

They simply followed my friend's proven system step-by-step...and it paid off.

So now it's YOUR turn to tap into the power of this brand new 3 step system just like they did!

All you have to do is register for my friend's upcoming LIVE workshop – where he'll show you EXACTLY how the system works and even profile some of his top students for you.

PLUS...there's over \$1,000 in CASH & PRIZES for anyone who stays until the end!

How these students doubled their income
Best way to replace a crappy job?

Body:

According to the U.S. Bureau of Labor Statistics, the average American wage was around \$54,132 in 2022.

Why do I bring that up?

Well, I just did the math, and it turns out my friend's students added, on average...

An extra \$66,000 per person!

See, his student success has famously just crossed over the \$100,000,000 mark just recently.

Only, that was just a small group of his students who agreed to share their numbers – about 1,500 of them.

So if you take that staging \$100 Million and divide it by 1,500...you get about \$66K on average.

This means these people basically DOUBLED their incomes!

That's especially incredible when you consider that these people included Uber drivers, flight attendants, teachers, general contractors, and even police officers.

In other words – these were totally normal people who just plugged into “Project Platinum” and found MAJOR success!

And unlike all those other jobs, this brand new 3 step system uses AI-driven technology to ELIMINATE 99% of the work while letting YOU keep all the profits!

Which is why I'm so excited to help YOU tap into this brand new 3 step system just like they did!

All you have to do is register for my friend's upcoming LIVE workshop – where he'll demonstrate the entire thing “over the shoulder” so you can see how it actually works.

PLUS...there's over \$1,000 in CASH & PRIZES for anyone who stays until the end!

Uh oh...my friend just put his foot down!

But honestly, I respect what he's doing here.

See, he's pulling his viral "\$250K Platinum Playbook" DOWN in 48 hours.

And there's actually a good reason for it.

Think about it: how many PDFs like this one have you downloaded...only for them to collect digital dust in your inbox or Downloads folder?

If you're anything like me...probably quite a few.

And when it comes to the 2023 "\$250K Platinum Playbook", that would be a pretty insane thing to do.

Because this report includes:

- How to smash through ALL the roadblocks that stop people from making money online (Amazon, Drop Shipping, Shopify, Email Marketing, you name it!)
- The only way to get paid a TON without actually SELLING anything at all.
- Real world case studies from normal people who went from being overworked, underpaid, and unhappy...to making 6 or even 7 figures a year while having FUN!

So please, DON'T download it if you plan to just let it sit in your inbox forever.

DO download it and read it so you can TAKE ACTION and build your own "Project Platinum" setup in 2023.

And remember: when it's gone in 48 hours, it's gone for good!

The “\$250K Platinum Workshop” begins in 24 hours...

(24 hr warning) don't miss the \$250K Platinum Workshop!

[24 Hours] I can't wait for this...

Body:

My friend is JUST about to go live with his brand new workshop where he'll be sharing a 3 step system that has helped more people earn \$250,000 or more on Clickbank than anywhere else.

In fact, the first time slot is less than 24 hours from now!

And I seriously can't wait for this to get started...

...especially after hearing that his students already generated over \$100,000,000 using this info...

BTW, that's only about 10% of his over 13,642 students...and some of his biggest earners actually asked NOT to have their numbers shared.

Translation? That \$100 million figure is a conservative estimate...which is crazy when you consider they're already past the 9 figure mark.

And if you happened to catch my earlier emails about the "\$250K Platinum Playbook"...

I STILL recommend you show up for the live workshop!

Why?

Two reasons...

#1 - Most people absorb information better by hearing and seeing rather than just reading. So whether you read the Playbook or not, now is your chance to let this life-changing info REALLY sink in.

#2 - The live workshop will include a TON of extra content my friend couldn't fit in the Playbook.

And that extra content in the LIVE training will include...

- Jaw-dropping case studies of people you would NEVER expect to make 6-7 figures online...who are now doing exactly that
- A brand new A.I technology that makes this system practically done for you.
- How students are using this system to generate up to \$104,958.90 per week without having their own website, product, or email list

In other words...this 3 step system and workshop is my new go-to resource for finding FREEDOM in 2023.

And I hope you'll join me on that journey!

And before you even THINK about trying to do this alone...

Don't. Make it easier on yourself by getting LIVE training from the man who created it!

Just sign up below while there are still spots available to see the WHOLE system live and in action:

Also, my friend said he'll be showing you live how he's making money while he's doing the workshop!

BTW, the one thing to mention is that Chris and Janice are also busy raising their own kids.

And as any parent can tell you...kids take up a LOT of time and mental energy.

So the fact that these two pulled this off goes to show that ANYONE can find success with this brand new 3 step system..

Especially since it uses AI-driven technology to do 99% of the work for you...so even while they're busy driving the kids to practice, the business can run itself and generate profits!

In fact, this is the same 3 step system that helped a small group of ordinary people generate over \$100 MILLION in less time than it takes to graduate college...

...and now it's YOUR turn to join them!

My friend (who created the system) is hosting a special LIVE workshop to show how exactly this 3 step system works.

That's from someone who's already been using this brand new 3 step system to achieve results like that. .

And I'm jealous because they got started before me!

What the heck? I bet I'd be making even MORE by now if I had the full system already...

Anyway, that's just my competitive streak talking...

As you'll see in a moment, there are also students already using this same system to generate \$5,000 a DAY.

So really, there's always someone doing even better – which should really be a source of inspiration!

Best of all, this 3 step system which my friend will share at the workshop includes an all-new set of AI-driven software that cuts your workload down from hours to MINUTES per day.

Now you can sign up for a LIVE workshop where my friend will walk through all 3 Steps with you!

It'll be like literally looking over his shoulder to see EXACTLY how he generates millions every year.

[FIRST NAME] – I sent you an email this morning but I think you might have missed it.

It was about how one of my friend's students is already making \$1K/day...

And just to be clear, this student is NOT some kind of expert.

- He has no website
- He has no email list
- He has no product of his own
- He has no background in sales or marketing
- He didn't "have money to make money"
- **He just tapped into the "Project Platinum" system my friend revealed on the training.**

PLUS...this is the exact same system his students used to generate over \$100 MILLION just recently.

And considering that 90% of his 13,642+ students did NOT get included (either because they asked not to or didn't submit their info in time...)

That means the mindblowing \$100,000,000 in earnings is actually a **conservative estimate!**

But like I said, it's too late.

That training is already over...BUT my friend is hosting an ENCORE!

So if you're only seeing this now and you're bummed you missed out...

Subject Options:

He's taking THIS away too?
What the heck, why?
He has me sweating bullets here...
I guess I should have seen this coming...

Body:

Earlier, my friend told me privately there would NOT be a replay of his "Project Platinum LIVE" training.

In case you missed it, this is the same system that:

- Transformed one man's \$50k DEBT into \$3.6 Million EARNED
- **Helped a family man who got LAID OFF after 12 years of work... "bounce back" by building his own 7 figure business online**
- Allowed a general contract to finally achieve the "laptop lifestyle" and get PAID to go on his honeymoon
- **Generated \$2650 Profit in one week for a working police officer**
- Produced more top 1% earners online than ANY other program, course, etc.

AND he included a step by step breakdown of how a small group of his students just generated \$100 MILLION together.

And keep in mind...they earned all that money SMACK in the middle of all the chaos.

In the middle of mass layoffs, economic panic, and government restrictions...those students added a life changing \$66K on average in extra income.

So as you can imagine, it was an INSANELY valuable workshop...

But as my friend explained it to me, that's exactly why he did NOT want to release the replay.

The problem with replays is that they are always available...which means you can always ignore them, procrastinate, and get distracted with something else.

That's a fair point. After all, I know my inbox is littered with replays I've never actually watched...

Still, I begged and PLEADED with him to find some way to release the replay.

Now that I've seen "Project Platinum" up close, I KNOW it could change your life...

So after talking it over with him, here's what we came up with:

He WILL release the replay...but only as a one-time live stream.

That means you can't just download it and forget about it.

You HAVE TO show up at the scheduled time and take notes, just like it was for the live students before.

Honestly, I think that makes so much sense.

Even if you have to move around your schedule a bit to make that work...

You're trading one MINOR inconvenience (at most) for a LIFETIME of freedom earning \$1,000+ per day from anywhere.

If that's not a worthy trade...then I don't know what to tell you.

Personally, I'm going to watch the replay even though I already was there for the live call AND the encore.

This info is just so insanely valuable that I want to reinforce it through repetition...

So click below to sign up, take notes, and take ACTION!

I'm new to this business, joined on October 10th and have been fully committed to executing the plan that Robby lays out in the system (including writing down my goals and the actions needed to hit those goals).

I've been inspired and blown away by so many people posting their wins in this group and wanted to continue the tradition in hopes that this post can inspire you!

Just thought it was SO COOL that a normal, fun-loving dad like Nate is able to make this kind of money on the side!

Bad news is, that training is OVER and it's never coming back.

"Project Platinum" got me in trouble!

Body:

I was so nervous when my friend called...

...but lucky for me he was very calm and just said:

“Please don’t share those screenshots again. My \$1,000+ a day students asked me to ONLY share their info on my own training!”

All right...lesson learned!

And the good news is: I still can share the news about how his students generated over \$100,000,000 together.

Ironically, Robby also told me that almost 90% of his students did NOT get counted in that total.

They either asked not to share for privacy reasons or didn't submit their ID in time to get counted.

Which means that the mind-blowing \$100M I mentioned above is actually a *conservative estimate!*

So sorry for spilling the beans Robby!

I just got so excited after seeing things like THIS:

- How a mother of two started with basically nothing and earned \$5820 profit in one week
- How normal people are ALREADY making anywhere from \$100 to \$1,000 a day or more...without actually selling anything
- The working police officer who made \$2650 Profit in one week

So I spilled the beans...and now I have to share some “good news, bad news”.

Bad news: that training already happened. It's over.

Good news: Robby is hosting an ENCORE PRESENTATION for those who missed out the first time!

Just like the first one, this will be live – so you can ask him all your questions directly as we go.

Hurry though – there's limited seating on their webinar software and it's first come, first served.

Q&A with a Millionaire?
Let's try to stump a millionaire!
Putting a millionaire in the hot seat...

Body:

I'm going to get in trouble again for saying this...but here goes:

I want us to completely STUMP Robby on his upcoming LIVE Q&A Masterclass!

In case you need a recap, my friend Robby is the guy who...

- Is the #1 ClickBank Affiliate (and has even worked directly with their HQ)
- Won the ClickBank Diamond Award for \$5 MILLION sold in 12 months (3 times)
- Recently went viral with his "\$250K Platinum Playbook" and "Project Platinum" which has already helped 13,000+ students worldwide

By the way – if you already caught the training and you want to start your own "Project Platinum" TODAY just click below!

>>> Start Making Money with Project Platinum [LINK]

Now back to that Q&A...

Robby's planning a Q&A Masterclass where he's going to answer:

- How long does it take to start making money with Project Platinum?
- Do I need to worry about this becoming saturated?
- Do I need any tech skills to make this work?
- What happens if I take longer than most people? Will you still be there to support me in 3 months, 6 months, 1 year, etc.?
- I already have an online business. Can I use this to promote my own products?
- How much do I need to set aside for ad campaigns and other expenses?
- And a whole lot more!

On top of that, he's going to answer any questions we bring LIVE to the workshop.

That's where you come in – I want you to think up the TOUGHEST questions you can so we can stump him live on the call!

To be clear: I DON'T mean you should ask him anything rude or offensive. If you act like a jerk his team will just kick you off the call...so don't do that.

I'm saying bring your toughest business-related questions so we can see what he's got!

But hurry – there's limited seating on their webinar software and it's first come, first served.

So to make sure you don't miss out, register NOW and be ready to show up on time.

Just click below to grab your seat! (And have those tough questions ready lol)

Body:

So now the secret's out...

“Project Platinum” is OPEN for new students!

And honestly, I couldn't be happier...

Especially since that's how Robby's students generated over \$100,000,000 in less time than it takes graduate college.

For the record, that's an extra \$66K in life-changing income on average. (Since it was only a small group of students who got counted in that total...)

Which is especially insane when you consider these are the SAME people we've been talking about all month.

AKA normal people with demanding day jobs, families, and absolutely ZERO experience going in.

After seeing his students have success like that...

I wondered if it was even POSSIBLE for him to improve on the program.

Well it turns out the answer is a big fat YES!

Because Project Platinum adds in the groundbreaking, AI-driven software that allows you to put everything on autopilot.

That includes...

- Copywriting
- Creating images & videos
- Modeling the best ads currently running
- Avoiding Facebook shutdowns
- ...and SO much more!

Literally, it's THOSE things that can take your workload from 1-2 hours a day...**to 10-15 MINUTES a day!**

It's a transformational upgrade to an already game-changing system...

Wow...just wow (Millionaire Q&A)

I was NOT expecting that... (Millionaire Q&A)

Body:

If you read any biography of a successful millionaire, they ALL have one thing in common:

Early exposure to another millionaire.

Whether it was a family member, friend, or even someone they worked for...

Virtually ALL millionaires had someone early on in life show them “behind the curtain” what it takes to be successful.

And after watching Robby’s LIVE Q&A Masterclass...

I feel like I just had that moment!

And that’s AFTER having a fair amount of wins under my belt...not to mention watching plenty of other training sessions that weren’t nearly as powerful.

To recap, Robby covered:

- How long does it take to start making money with Project Platinum?
- Do I need to worry about this becoming saturated?
- Do I need any tech skills to make this work?
- What happens if I take longer than most people? Will you still be there to support me in 3 months, 6 months, 1 year, etc.?
- I already have an online business. Can I use this to promote my own products?
- How much do I need to set aside for ad campaigns and other expenses?

But he ALSO shared some raw, unfiltered truth that’s just way too good to spoil here.

And even though there WON’T be an encore or part 2...

...he IS doing another Livestream Replay for this one!

In case you aren’t familiar, that means you CANNOT just access the replay whenever.

You have to treat it like a live call – show up on time, pay attention, and take notes.

Robby designed this way so we’d have no way to procrastinate...and for good reason.

This is life-changing information and it would be a complete disservice to him and to YOU to let it go to waste.

That's from Doug, a retiree out in Texas who came in with absolutely ZERO tech skills.

And now it's your turn...WHEN you make the choice to finally be free.

What if your "commute" was a 2 minute walk from the bed to your laptop every morning?

What if your "vacation" started every day at 10 am when you're already DONE with all your work for the day?

What if you became the person who ALWAYS picks up the dinner tab with family & friends – just because you can afford it and want to show them some love?

THAT should be the goal for 2023...because it's already TRUE for students like Doug who are already using Project Platinum.

If they can do it, so can you.

So let's commit to that right now.

It's time for FREEDOM – financial freedom, time freedom, location freedom – and the best place to make that happen is in Project Platinum.

And it'll never be EASIER to start than it is right now, because when you sign up today you get THESE bonuses:

- Project Platinum Landing Page Builder **(\$4,997)**
- DFY 7 Figure Landing Pages **(\$7,997)**
- The Project Platinum App **(\$9,997)**
- Full Access To Spy Hero **(\$200)**
- Full Access To Cometly **(\$300)**
- Ticket To Next Virtual Event **(\$1,000)**
- YouTube 6 Week Masterclass **(\$3,997)**

With Project Platinum that's **\$57,344 worth** of value...all of it INCLUDED as Robby's gift to you...all of it designed to **accelerate your profits and cut down your daily workload to just MINUTES!**

[NOTE: missed my previous emails about "Project Platinum"? Click here to sign up for the Final Call [LINK] and see how people are already using it to earn \$1,000+/day!]

I know I've been talking A LOT about my friend Robby's "Project Platinum".

So here's my little confession:

I've seen so many programs come and go that promise to help normal people make money online and win their freedom...

And honestly? Most of them fall flat.

So when I see a system that has already worked for YEARS and helped over 11,000 people...

...and I see the creator STILL pouring his blood, sweat, and tears into making it better...

I get excited.

Because I truly believe it IS possible for normal people to make great money online and it's my mission to help them do that!

And so here's why I'm reaching out today...

Robby is hosting one FINAL CALL to answer any last minute questions about Project Platinum.

There's 24 hours to register and then...that's it.

It's gone.

No more live calls with Robby. No more direct access to a multi-millionaire. No more bonuses to make Project Platinum even easier to get started with.

It's all gone – POOF, gone – in 24 hours.

The bonuses will either go back to full price...or in some cases they'll just never be offered again.

You'll still have time after the Final Call to sign up for Project Platinum...assuming you sign up for it ASAP and show up on time.

As always, seating is limited and it's first come, first served.

So if you ABSOLUTELY MUST get that last question of yours answered, click below to join us on the Final Call.

And if you've just been waiting for that *one last nudge* to sign up for Project Platinum...

Do it. You won't regret it.

They've already crossed the 9 figure mark...but YOU still haven't joined them.

Otherwise? Let's be real: you KNOW all about Project Platinum and you're still on the fence.

You've already seen how a flight attendant used it to make an extra \$50K...

You've already seen how a general contractor got PAID 6 figures a month to go on his honeymoon...

You've already seen how a family man went from \$50k in debt to \$3.6 MILLION in one year...

And on top of that, you know these BONUSES are about to disappear once the first 50 sign up:

- YouTube 6 Week Masterclass – so you can tap into the only other platform as profitable as Facebook **(\$3,997)**
- Full Access To Spy Hero – so you can model what's already working in SECONDS **(\$200)**
- Full Access To Cometly – so you can track your numbers and SCALE with total confidence **(\$300)**
- Ticket To Next Virtual Event – so you can learn from the very best LIVE **(\$1,000)**
- DFY 7 Figure Landing Pages – so you can “tweak and deploy” for ultra fast results **(\$7,997)**
- The Project Platinum App – AKA the “command center” for your \$1K/day business **(\$9,997)**
- Project Platinum Landing Page Builder – so you can build high-converting landing pages in mere MINUTES **(\$4,997)**

Still...with all that...you haven't signed up.

Be honest with yourself: is there really any logical reason NOT to sign up now? Or is it really just the FEAR talking?

Feeling fear is fine. In fact, the most successful people in the world use fear as a compass. It points them right towards the big important thing they need to do next.

You just can't let the fear hold you back...because THAT is how you end up with a disappointing repeat of last year. Same old income...same old problems.

Don't give in to the fear. Make the leap NOW and come see how EASY it is to make \$1,000 a day or more!

JOIN the legendary students who just generated over \$100 MILLION together...

None of those students had anything that you don't.

If anything, plenty of them had extra obstacles standing in their way – like speaking English as a third language or getting laid off in the middle of all the chaos.

But because they made no excuses and relentlessly took ACTION...they added anywhere from \$66K to \$6.3 MILLION in extra income.

So are you going to continue sitting on the sidelines...or are you going to finally join them?

The choice is yours...

In fact, there's still time to join his legendary group of students who generated \$26 MILLION together in 2020...

And while you technically CAN'T get the bonuses anymore...because the first 50 already signed up...

Project Platinum is what allowed Robby's students to generate over \$100,000,000 together.

They did it in less time than it takes to get a Bachelor's degree at college.

And they did it WHILE working demanding day jobs – such as flight attendant, construction worker, or law enforcement.

Even crazier? They did it WITHOUT any prior experience or tech skills.

And they did it by seizing the exact same opportunity in front of you right now.

Because when you sign up for Project Platinum in the next 6 hours, you get:

And because I pulled a TON of strings with Robby...

You ALSO get these incredible bonuses:

(Even though it's technically WAY past the time limit for these)
